(I'm also a huge fan)
Ho~ra Ocha
It will stain my heart

In this case Ho~ra means "here' and ocha means "tea'. Ho~ra Ocha is the name of the tea, but she can also be saying "Here, tea~

Geez, you guys over there, please don't look at this with the same eyes you look at adult books with! She's pure and innocent!!!
Today, Yuka-chan will be having an autograph session there
You know how there's the Hi No Kuni store in front of the station?
For what today?
?
I went and got a new camera just for today
(It's a polaroid)
Eh, father, you don't know?!
Is that so....!
Is-
Isn't it nice, owning a big book store
(If only I didn't have a store like this...)
Not to mention after that, she'll be having cultural exchange with fans, and a photoshoot session too.

I'm always standing out in the open That damn manager will find me
The pure and innocent idol said 'damn' 'damn

This was an adult book store?!
Eh?
Huh? Yea, it's just that
my friend gave me a call earlier
Oh? Kanda-san, you guys are still here?
I went through alot of pain, huh. I was even searched for this
Even though we're in the middle of a city there aren't many places that have this erotic magazine
Ah the pure and innocent idol is at the adult book store, bubbling all over

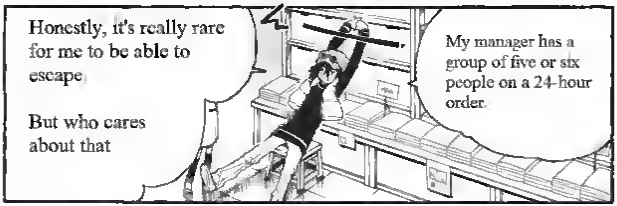
Idiot If I could do that I would've done so already
If-if you really worry about it so much, then if you hurry and tell the truth at the autograph session...
Seriously, why did it become this way?



Honestly, it's really rare for me to be able to escape
But who cares about that
My manager has a group of five or six people on a 24-hour order

There are thousands of guys out there that like who I am...
I thought about that alot...
Well if we just think of some annoying play
I wonder if Yuka-chan is ready
This will become a problem that doesn't apply to only me

If we distribute some evidential photographs to the guys who buy the photograph collection books here
Ah...uhm. okay
Kanda-san, I'm going to borrow your camera!
Yuka-chan's situation is much more important!
Mi-miyu? Just now, I heard something about the shop being ruined, don't do anything extreme
Please don't worry! Whether this shop is here or not nothing will change!
